

President

*We can't
start the
meeting
without you!*

*Oh my. So
you found
me?*

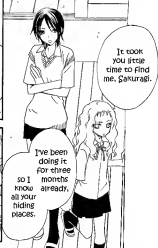

*Come
down!*

*Let's go
back to the
student
council
room!*

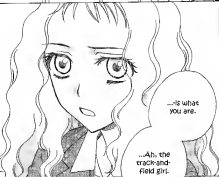

After School Canon

Mikuni Hajime

But due to
a traffic
accident, I
can't run
anymore.

I started
school
here to
run track.

Looking for the President?

Yeah, sometimes we lose track of her.

I had no choice but to join the student council.

But, it didn't feel like a job.

If I can find the President, today's work will be done.

You don't like rabbits?

I wouldn't say that.

Weren't you just leading me in circles there?

Life should be talking about you not running away in the first place!

However...

ARE YOU IN THIS PLACE?

WHY?

It's been three months now.

I'm finding
her pretty
fast.

You're
a pro!

You didn't
work that
hard.

YOU'RE
ONE TO
TALK!

It's been
a hard
day's work,
see you
tomorrow!

Yeah,
but I
finished
it already.

Today's
too!

Really?

By the
way, don't
you have
student
council
duties
today?

See
you.

All right,
I'm going.
see you
tomorrow.

Somehow...

Ooh,
I see.

Yeah,
it's easy
once you
get used
to it.

I'd
like a
job like
that.

Wow,
isn't it
easy
work
over
there
then?

Aah, not
at all!

You're
misguided!

Sure.

Do you
want to
go to
karaoke
with us?

Hey
Are
you going
home now
Sakuragi-
san?

...this
conversation
feels dull.

Took you
a while today.

Really? I'm
so honoured.

Recently at
school, I keep finding
myself thinking "Could
the President be hiding
here?" everywhere
I look, you know.

why do
you keep
hiding?

President.

Oh my,
this place is
refreshing.

Because I
want you to
look for me,
Sakuragi.

Always
gazing
straight
ahead...

I loved
watching
you run,
Sakuragi.

Since you
stopped running,
I tried to
captivate you
to direct that
gaze at me.

Searching,

thinking
only of
her.

For three
months, I've been
searching for the
President
all the time.

So, have
I captivated
you?

Even though
there's nothing
much happened
between us...

You have.

...why am I
so drawn
to her?

That
makes me
really happy.

fumble

You're
finally looking
at me.

Now I
have to
reel you in.

Eh...?

FLOOR

Now...

Reelin'

I caught
you.

Look
at me.

always
confident
look...

Your...

...eyes...

Her

President....

Hmm?

And to
capture.

To be
captivated.

To be
captured.

So I'm only
good enough
to be used for
that kind of
thing?

Do
your job
already

It's better
to keep you
here and glue
her down. Isn't
that right,
Sakuragi?

Rather than
making you
search for
her,

Yes! I finally
found the
resolution.

fin.
